Subject: Plenary Speakers at the 2014 National EHDI Meeting

We have the privilege of hearing from four amazing plenary speakers at this year's **National EHDI Meeting** in Jacksonville. They will discuss a variety of topics that will be essential to the future of EHDI programs. The schedule is as follows:

Opening Plenary, Monday, April 14- **Dr. James Perrin**- Medical Home: From Concept to Care Delivery

Plenary II, Monday, April 14- **Dr. Mary Pat Moeller**- Outcomes of Children who are Hard of Hearing: A New Chapter

Plenary III, Tuesday, April 15- **Dr. Adrian Davis**- Population Hearing Health- Getting it Right from the Start

Closing Plenary, Tuesday, April 15- **Meg Comeau**- The Affordable Care Act and Implications for Early Hearing Detection and Intervention: Changes, Challenges, and Opportunities

We are looking forward to each of these presentations! Remember to [register](#) now before March 1st to receive the early registration discount!
