

Subject: Movie Tickets! ONE showing only of Lake Windfall in Springfield
Greetings!

The Greater Ozarks Association of the Missouri Association of the Deaf is hosting a great movie viewing event, **Lake Windfall**, in Springfield.

Tickets are only \$12, would make great stocking stuffers, and are LIMITED!

My suggestion? **Respond to this email to let me know how many tickets you need** and a good day for us to meet. These tickets will go fast and I am not kidding. You do not want this to sell out before you get the chance to see this movie.

I also suggest **passing this email along to others who may be interested** in seeing the movie. Better yet, buy them tickets as Christmas presents! They will love it!

The film is a portrait of interactions between deaf, hard of hearing, and hearing people. The plot focuses on five characters in a post-apocalyptic setting. Told with humor and emotion, this film takes an authentic look at three different types of hearing loss experiences. While navigating through this tale of awareness and survival, both hearing and deaf will realize how critical effective communication is to our collective survival. The cast and crew consisted of mainly deaf and hard of hearing members from all over the country. This production, expressed primarily using American Sign Language, illustrates the great skill, creativity, and passion for filmmaking shared by these talented artists. Unlike many film productions, all proceeds made from this film will be devoted to programs and services that enhance the lives of deaf and hard of hearing people and promote greater inclusion and cooperation with the mainstreamed population-those who can hear.

See the attachment and let me know how many tickets you want. Feel free to print the attachment and share it at school, with students, with teachers, with co-workers, etc.

Again, these tickets are limited and there will only be ONE showing! I do suggest purchasing tickets now. E-mail me to let me know how many you need. Cash, money orders, and checks accepted. No credit cards-sorry.

Tickets are \$12 per person with no discounts. No CEUs available as this is entertainment. Tickets will sell quickly at this price!
