**Subject:** Wireless Pilot

Missouri Assistive Technology is seeking individuals who are Deaf, Hard of Hearing, Blind, Low Vision, or Speech impaired to participate in a TAP-Telephone pilot in which the iPhone, iPad Wi-Fi, and iPad Mini Wi-Fi will be distributed. The purpose of the pilot is to test the devices and specific telecommunication applications as telecommunications equipment.

Individuals must meet a number of requirements (disability, income, ability to participate in several monthly meetings, participate in surveys, and several other requirements). Participants will be responsible for accessing internet and the cost of any needed mobile service data and service plan.

Individuals who are interested or want more information may contact Stacy at [tap.pilot@att.net](mailto:tap.pilot@att.net). Use "Wireless Pilot" in the Subject heading.
