Conference Availability:

As a Student Representative you should expect to work approximately 6 hours over the weekend of the conference. Ideally, those who apply are available to work at any point during the weekend, and are able to attend the Student Representative Orientation meeting on Friday, October 10th after Keynote presentation.

On average, 40 representatives are needed to work the conference. You could be selected even if you are unable to work the entire weekend; however preference will be given to those that are available to attend the orientation and work all three days. Please check the boxes that apply to your situation, you will not be expected to work the entire weekend.

- I am AVAILABLE to work from Friday at 3:00 pm to Sunday at 2:00 pm**
- I am UNABLE attend the Friday orientation and work Friday evening
- I am UNABLE to work Saturday
- I am UNABLE to work Sunday morning

Expectations of a Student Representative:

As a Student Representative you should dress and conduct yourself professionally. You will introduce conference presenters and handle distribution of CEUs to participants. In exchange for your services, you will receive Conference registration. You will be responsible for your own hotel accommodations – there will be a special conference rate available at Tan-Tar-A Resort. You will receive a confirmation email once the application deadline has passed.
