Upcoming Hearing for SSP Bill, HB 1696

The Missouri Commission for the Deaf and Hard of Hearing is pleased to share the news that House Bill 1696 has an upcoming public hearing on Tuesday, January 26. HB 1696 seeks to provide grants to organizations that provide support services to deaf-blind persons and is sponsored by Representative Lyle Rowland.

The hearing will be before the Committee on Children and Families in House Hearing Room 1, at 12:00 pm or upon conclusion of the morning session. MCDHH encourages interested citizens to attend this hearing to show your support for services for deaf-blind Missourians.

For more information, visit the House Bill Listing [here](#). If you would like to offer testimony during the hearing, please email mcdhh@mcdhh.mo.gov for more information.
