

So now you are having trouble seeing??

Where: RTR/DCC

8764 Manchester Road, Suite 201
Brentwood , MO 63144

When: Wednesday, July 30, 2014

Time: 6:00-8:00pm

The Deaf and Hard of Hearing rely on their eyes, so when you start having problems with your vision, what do you do? Come and learn and get hope that you can still do things for yourself. Vision issues can be temporary or a slow process for various reasons. This evening is all from the EYES of a person with a hearing loss. It is all about supporting yourself and/or each other.

Please let Ginny Redden dccoutreach@gmail.com know you are coming space is limited.
