

Applied Interpreting Series

Professionals working together to improve our skills and our profession

“Ethical Discussions Through The CPC—Part 9”

Moderated by Joe Sapienza

Date: September 25th, 2024

Time: 6:30 pm to 8:00 pm Central Time Zone

CEUs: 0.15 RID and Missouri CEUs

Cost: \$10.00

Who: Open to Interpreters, ITP students & interested individuals

Each workshop in the 2024 series will dive into the process of analyzing interpreter situational dilemmas. Participants will discuss the situation and ethics involved with each scenario provided and then utilize the Registry of Interpreters for the Deaf’s Code of Professional Conduct (CPC) to understand which tenet(s) and guiding behavior(s) have been affected. Participants will be prompted to share thoughts, suggest ideas, and describe alternate actions for the scenario. Working under the guidelines of the CPC allows interpreters to follow ethical practices that help us to maintain consistency within the field.

This workshop is presented as a forum for all attendees. The facilitator will engage with participants to share their thoughts and opinions— as related to each scenario— in a safe and respectful environment. You need **not** have attended any of the previous workshops to attend this one.

This workshop forum is offered in spoken English. The Zoom waiting room will open at 6:15 pm CST and no late arrivals after 6:40 pm. You must attend the full time frame to earn CEUs (no partial CEUs offered). To be sure all participants can share their opinions and comments, workshop space will be limited.

If there is any pre-workshop material it will be emailed to registrants before the start date. A full refund will be given if cancelled up to one day before the workshop; thereafter, no refunds. All are welcome!
