

The best way to communicate with me is:

-  writing
-  real live captioning
-  texting
-  assistive listening
-  interpreter
-  realtime translation

## COMMUNICATION ACCESS CARD I AM HARD OF HEARING COMMUNICATION TIPS

To help us communicate, please remember:

- Get my attention first.
- Look at me when you speak.
- I cannot lip-read everything you say.
- Writing notes may be helpful.
- Hearing aid/cochlear implant does not mean I understand all speech.
- Ask me what accommodations work for me.

## I HAVE A RIGHT TO EFFECTIVE COMMUNICATION

Your office or organization has obligations to provide accommodations to ensure effective communication for people who are Deaf or Hard of Hearing as required by federal, state and local laws.
